Who is Eligible to Become Insured

FOR EMPLOYEE INSURANCE

You are eligible to become insured for Employee Insurance while:

- You are a full-time Employee of the Employer.

For Member/Employees, you are eligible if you are regularly working for the Employer at least the number of hours in the Employer's normal full-time work week for your class. If you are a partner or proprietor of the Employer, that work must be in the conduct of the Employer's business

For SAMBA Staff Employees, you are eligible if you are regularly working for the Employer at least the number of hours in the Employer's normal full-time work week for your class, but not less than 35 hours per week. If you are a partner or proprietor of the Employer, that work must be in the conduct of the Employer's business

Your class is determined by the Contract Holder. This will be done under its rules, on dates it sets. The Contract Holder must not discriminate among persons in like situations. You cannot belong to more than one class for insurance on each basis, Contributory or Non-contributory Insurance, under a Coverage. “Class" means Covered Class, Benefit Class or anything related to work, such as position or Earnings, which affects the insurance available.

This applies if you are an Employee of more than one subsidiary or affiliate of an employer included under the Group Contract: For the insurance, you will be considered an Employee of only one of those subsidiaries or affiliates. Your service with the others will be treated as service with that one.

The rules for obtaining Employee Insurance are in the When You Become Insured section.

FOR DEPENDENTS INSURANCE

You are eligible to become insured for Dependents Insurance while:

- You are eligible for Employee Insurance; and
- You have a Qualified Dependent.

Qualified Dependents:

These are the persons for whom you may obtain Dependents Insurance:

- A person who is your Spouse prior to their enrollment for Dependents Insurance.

  Your Spouse means your lawful Spouse.

- Your Child(ren) from live birth to 26 years old.

Your Child(ren) include your:

(1) Biologic child(ren);

(2) Legally adopted children, children placed with you for adoption prior to legal adoption, and each of your stepchildren. A child placed with you for adoption prior to legal adoption is considered your Qualified Dependent from the date of placement for adoption, and is treated as though the child was your newborn child;

(3) Foster children; and

(4) Child(ren) for whom you or your Spouse

(a) have been appointed the legal guardian;

(b) claim as a dependent on your or your Spouse's federal income tax returns.

A Child who is your or your Spouse's ward under a legal guardianship will be considered a Qualified Dependent from the effective date of court order granting the legal guardianship, and is treated as though the Child was your newborn Child.

For accident coverage, your Children also include your:

(1) Children for whom you or your Spouse is required to provide accident coverage under a Qualified Medical Support Order regardless of enrollment restrictions. If you or your Spouse, as the insuring parent, is enrolled for accident coverage but you do not enroll your Child, the non-insuring parent, child support enforcement agency, or Department of Health and Mental Hygiene will be permitted to apply for enrollment on behalf of your Child and include your Child under accident coverage regardless of enrollment period restrictions.

The accident coverage shall not end unless written evidence is provided to Prudential that the Qualified Medical Support Order is no longer in effect; your Child has been or will be enrolled under other accident coverage that will take effect on or before the effective date of the termination; the part of the Group Contract providing the insurance has ended; or the Employer no longer employs the insuring parent;

(2) Children who reside with you and are under your testamentary or court-appointed guardianship for a period of 12 months or more; and

(3) Grandchildren who reside with you and are in your court-ordered custody.

- Your Incapacitated Children.

Your Incapacitated Children means each Child (as defined above) who satisfies all of the following:

(1) Your Child is incapable of self-sustaining employment because of a mental or physical Injury or Illness.

(2) Your Child is so incapacitated before the Child reaches age 26.

You must provide Prudential with satisfactory proof that your Child satisfies the above conditions within 31 days of:

(1) the covered Child's attainment of the age limit for a Qualified Dependent Child; or

(2) the date you first become eligible for Coverage with respect to a Child over the age limit for a Qualified Dependent Child.

Periodically, Prudential may request that you provide proof that your Child continues to satisfy the above conditions.

Failure to provide the proof required or requested above will cause your Coverage with respect to that Child to end.

Exceptions:

Your Spouse or Child is not your Qualified Dependent while:

(1) on active duty in the armed forces of any country; or

(2) insured for accident coverage under the Group Contract as an Employee.

A Child will not be considered the Qualified Dependent of more than one Employee. If this would otherwise be the case, the Child will be considered the Qualified Dependent of the Employee named in a written agreement of all such Employees filed with the Contract Holder. If there is no written agreement, the Child will be considered the Qualified Dependent of:

(1) the Employee who became insured under the Group Contract with respect to the Child, while the Child was a Qualified Dependent of only that Employee; and otherwise

(2) the Employee who has the longest continuous service with the Employer, based on the Contract Holder's records.

The rules for obtaining Dependents Insurance are in the When You Become Insured section.

When You Become Insured

FOR EMPLOYEE INSURANCE

Your Employee Insurance under a Coverage will begin the first day on which:

- You have enrolled, if the Coverage is Contributory; and
- You are eligible for Employee Insurance; and
- You are in a Covered Class for that insurance; and
- That Coverage is part of the Group Contract.

For Contributory Insurance, you must enroll on a form approved by Prudential and agree to pay the required contributions. The Plan Administrator (SAMBA) will tell you whether contributions are required and the amount of any contribution when you enroll.

If you are required to enroll for accident coverage in order to enroll a dependent child for accident coverage, as required by a Qualified Medical Support Order, you will be automatically enrolled, regardless of any enrollment period, within 20 business days after receipt of a complete Qualified Medical Support Order.

At any time, the benefits for which you are insured are those for your class, unless otherwise stated.

FOR DEPENDENTS INSURANCE

Your Dependents Insurance under a Coverage for a person will begin the first day on which all of these conditions are met:

- You have enrolled for the person for Dependents Insurance under the Coverage, if the Coverage is Contributory.
- The person is your Qualified Dependent.
- You are in a Covered Class for that insurance.
- You are insured for Employee Insurance under the optional accident Coverage of the Group Contract, if any.
- Dependents Insurance under that Coverage is part of the Group Contract.

For Contributory Insurance, you must enroll your Qualified Dependent on a form approved by Prudential and agree to pay the required contributions. You may enroll for Contributory Dependents Insurance within 31 days* of when you could first be covered, or within 31 days* of a Life Event. The Plan Administrator (SAMBA) will tell you whether contributions are required and the amount of any contribution when you enroll your Qualified Dependent.

*Within 6 months if your Spouse loses coverage under another group accident plan due to involuntary termination of the Spouse's employment other than for cause. Evidence of Insurability is not required.

At any time, the Dependents Insurance benefits for which you are insured are those for your class, unless otherwise stated.

Change in Family Status: It is important that you inform the Plan Administrator (SAMBA) promptly when you first acquire or lose a Qualified Dependent, and when you no longer have a Qualified Dependent. Forms are available for reporting these changes.

General Information

BENEFICIARY RULES

The rules in this section apply to insurance payable on account of your death, when the Coverage states that they do. But, if there is an assignment, these rules are modified by the Limits on Assignments section.

“Beneficiary" means a person chosen, on a form approved by Prudential, to receive the insurance benefits.

You have the right to choose a Beneficiary for each Coverage under this Prudential Group Contract.

If there is a Beneficiary for the insurance under a Coverage, it is payable to that Beneficiary. Any amount of insurance under a Coverage for which there is no Beneficiary at your death will be payable to the first of the following: your (a) surviving spouse; (b) surviving child(ren) in equal shares; (c) surviving parents in equal shares; (d) surviving siblings in equal shares; (e) estate. This order will apply unless otherwise provided in the Limits on Assignments.

You may change the Beneficiary at any time without the consent of the present Beneficiary. The Beneficiary change form must be filed through the Contract Holder. The change will take effect on the date the form is signed. But it will not apply to any amount paid by Prudential before it receives the form.

If there is more than one Beneficiary but the Beneficiary form does not specify their shares, they will share equally. If a Beneficiary dies before you, that Beneficiary's interest will end. It will be shared equally by any remaining Beneficiaries, unless the Beneficiary form states otherwise.

If you and a Beneficiary die in the same event and it cannot be determined who died first, the insurance will be payable as if that Beneficiary died before you.

MODE OF SETTLEMENT RULES

The rules in this section apply to Accident Insurance payable on account of a Covered Person’s death. But these rules are subject to the Limits on Assignments section.

Insurance payable on account of a Covered Person’s death is normally paid to the Beneficiary in one sum in the form of a check or an Electronic Funds Transfer (EFT). There is a third option available whereby Prudential will deposit the funds into a retained asset account. Subject to applicable law, where the amount of the benefit meets Prudential’s current minimum requirement, payment in one sum will be made by establishing a retained asset account in the Beneficiary’s name, unless the Beneficiary elects another settlement or payment option available at the time of claim and the benefit distribution will be deemed complete when the account is established. The retained asset account is an interest-bearing draft account backed by the financial strength of Prudential. Funds are held in Prudential’s general account or elsewhere as Prudential may direct and an account in the Beneficiary’s name is credited interest at a rate set by Prudential’s discretion, subject to a minimum rate that will change no more than once every 90 days on advance notice to the Beneficiary. The Beneficiary is provided a draft book and has immediate access to the entire amount by writing drafts for any amount up the account balance. The retained asset account is not a bank account and is not insured by the Federal Deposit Insurance Corporation; it is a contractual undertaking between Prudential and the Beneficiary. Further information about the account is provided at the time of claim..

Arrangements for Mode of Settlement: You may arrange a mode of settlement by proper written request to Prudential.

If, at a Covered Person's death, no mode of settlement has been arranged for an amount of the person's Accident Insurance, the Beneficiary and Prudential may then mutually agree on a mode of settlement for that amount.

Conditions for Mode of Settlement: The Beneficiary must be a natural person taking in the Beneficiary's own right. A mode of settlement will apply to secondary Beneficiaries only if Prudential agrees in writing. Each installment to a person must not be less than $20.00. A change of Beneficiary will void any mode of settlement arranged before the change.

Choice by Beneficiary: A Beneficiary being paid under a mode of settlement may, if Prudential agrees, choose (or change the Beneficiary's choice of) a payee or payees to receive, in one sum, any amount which would otherwise be payable to the Beneficiary's estate.

Prudential has prepared information about the modes of settlement available. Ask the Contract Holder for this.

LIMITS ON ASSIGNMENTS

You may assign your insurance under a Coverage. Unless the Schedule of Benefits states otherwise, insurance under any Coverage providing death benefits or periodic benefits on account of disability may be assigned only as a gift assignment. Any rights, benefits or privileges that you have as an Employee may be assigned. This includes any right you have to choose a Beneficiary or to convert to another contract of insurance. Prudential will not decide if an assignment does what it is intended to do. Prudential will not be held to know that one has been made unless it or a copy is filed with Prudential through the Contract Holder.

This paragraph applies only to insurance for which you have the right to choose a Beneficiary, when that right has been assigned. If an assigned amount of insurance becomes payable on account of your death and, on the date of that death, there is no Beneficiary chosen by the assignee, it will be payable to:

(1) the assignee, if living; or

(2) the estate of the assignee, if the assignee is not living.

It will not be payable as stated in the Beneficiary Rules.

DEFINITIONS

Active Work Requirement: A requirement that you be actively at work on a full time basis at the Employer's place of business or at any other place that the Employer's business requires you to go. You are considered actively at work during a normal vacation if you were actively at work on your last regularly scheduled workday.

Contributory Insurance, Non-contributory Insurance: Contributory Insurance is insurance for which the Contract Holder has the right to and may require your direct contribution to the cost of coverage. Non-contributory Insurance premiums are paid by the Contract Holder, usually without direct contribution from you. The rate for Non-contributory insurance may be determined, or in some cases, reduced, in part, based on your contributions for contributory insurance or other benefits offered to you under the Contract Holder benefit plan.

(1) A benefit page labeled as a Coverage in its title.

You: An Employee/Member.

CLAIM RULES

These rules apply to payment of benefits under all accident Coverages.

Notice of Claim: Prudential must be given written notice that a claim will be made. The notice must be given to Prudential within 30 days after the date of loss. But, failure to meet that time limit will not make the claim invalid if the notice is given as soon as reasonably possible.

Proof of Loss: Prudential must be given written proof of the loss including any requested documentation, such as a death certificate, for which claim is made under the Coverage. A claim form will be furnished for submitting proof of loss. But, if you are not given a claim form within 15 days after providing notice of claim, you must still submit the proof of loss. This proof must cover the occurrence, character and extent of that loss.

Proof of loss must be furnished within 90 days after the date of the loss. But, if any Coverage provides for periodic payment of benefits at monthly or shorter intervals, the proof of loss for each such period must be furnished as follows:

(1) for the first of such periods, proof of loss must be furnished within 90 days after the start of the period for which Prudential is liable;

(2) for each period after the first, proof of continuing loss must be furnished when and as often as Prudential reasonably requires.

A claim will not be considered valid unless the proof is furnished within these time limits. However, it may not be reasonably possible to do so. In that case, the claim will still be considered valid if the proof is furnished as soon as reasonably possible.

Prudential will pay benefits within 30 days after receiving satisfactory proof of loss.

When Benefits are Paid: Benefits are paid when Prudential receives written proof of the loss including any requested documentation, such as a death certificate. But, if a Coverage provides that benefits are payable at equal intervals of a month or less, Prudential will not have to pay those benefits more often.

To Whom Payable: Benefits are payable to you with these exceptions:

(1) Benefits for Tuition reimbursement for your child or child care expenses will be paid to:

  (a) your Spouse, if living; or

  (b) your Spouse estate, if your Spouse is not living at the time a benefit is paid.

(2) Benefits for parental care expenses will be paid to:

  (a) your Spouse, if living; or

  (b) your Spouse estate, if your Spouse is not living at the time a benefit is paid.

(3) Benefits for any other of your Losses that are unpaid at your death or become payable on account of your death will be paid to your Beneficiary or Beneficiaries. (See Beneficiary Rules.)

  If you and a Beneficiary die in the same event and it cannot be determined who died first, benefits will be payable as if that Beneficiary died before you.

(2) If you are not living, benefits for a dependent's Losses are payable to your Spouse if your Spouse is living.

(2) If neither you nor your Spouse is living, then benefits will for a Spouse's Losses will be paid to your Spouse's estate.

(3) If neither you nor your Spouse is living, then benefits for a dependent child's Losses will be paid to the child who suffered the Loss. If that dependent child is not living, the benefits will be paid to the child's estate.

Physical Exam and Autopsy: Prudential, at its own expense, has the right to examine the person whose loss is the basis of claim. Prudential may do this when and as often as is reasonable while the claim is pending. Prudential, at its own expense, also has the right to arrange for an autopsy in case of accidental death, if it is not forbidden by law.

Legal Action: No action at law or in equity shall be brought to recover on the Group Contract until 60 days after the written proof described above is furnished. No such action shall be brought more than three years after the end of the time within which proof of loss is required.

CONTESTABILITY OF INSURANCE TO WHICH THE CLAIM RULES APPLY

This limits Prudential's use of a person's statements in contesting an amount of that insurance for which the person is insured. These are statements made to persuade Prudential to effect an amount of that insurance. In the absence of fraud, they will be considered to be representations and not warranties. These rules apply to each statement:

(1) It will not be used in a contest to avoid or reduce that amount of insurance unless:

(a) It is in a written instrument signed by the person; and

(b) A copy of that instrument is or has been furnished to the person or that person's beneficiary.

(2) When relating to insurability, it will not be used in the contest after that insurance has been in force, before the contest, for at least two years during the person's lifetime.

When Your Insurance Ends

EMPLOYEE AND DEPENDENTS INSURANCE

Your Employee Insurance under a Coverage or your Dependents Insurance under a Coverage will end when the first of these occurs:

- Your membership in the Covered Classes for the insurance ends because your employment ends (see below) or for any other reason.
- The part of the Group Contract providing the insurance ends.
- You make a written request to the Contract Holder to end your Employee or Dependents Insurance under a Coverage.
- You fail to pay, when due, any contribution required for an insurance of the Group Contract. But, failure to contribute for Dependents Insurance will not cause your Employee Insurance to end.
- The insurance is Dependents Insurance under the Accidental Death and Dismemberment Coverage and your Employee Insurance under that Coverage ends.

Your Dependents Insurance for a Qualified Dependent under a Coverage will end when that person ceases to be a Qualified Dependent for that Coverage. (See Continued Coverage for an Incapacitated Child below.)

If you stop active full-time work for any reason, you should contact the Plan Administrator (SAMBA) at once to determine what arrangements, if any, have been made to continue any of your insurance.

Continued Coverage for an Incapacitated Child: This applies to the Dependents Insurance you have for a Child. The insurance for the Child will not end on the date the age limit in the definition of Qualified Dependent is reached if both of these are true:

(1) The Child is then mentally or physically incapable of earning a living. Prudential must receive proof of this within the next 31 days.

(2) The Child otherwise meets the definition of Qualified Dependent.

If these conditions are met, the age limit will not cause the Child to stop being a Qualified Dependent under that Coverage. This will apply as long as the Child remains so incapacitated.

Continued Accident Insurance After Your Death: If you suffer an accidental Loss of life for which benefits are payable under the Voluntary Accidental Death and Dismemberment Coverage of the Group Contract, your Dependents Insurance under that Coverage will be continued after your death.

The insurance will be continued from the date it would have ended until the first of these occurs:

- The day 36 months from the date of your death.
- In the case of your Qualified Dependent Spouse, the day your spouse remarries.
- In the case of your Qualified Dependent child, the day the child ceases to be a Qualified Dependent under the insurance.
- The part of the Group Contract providing the insurance ends.

All other terms of the Group Contract will apply as if you had not died, except that benefits under the Coverage will be paid to:

(1) your Spouse, if living; or

(2) your Spouse's estate, if your Spouse is not living but survived your Qualified Dependent children; or

(3) the person or institution appearing to Prudential to have assumed the main support of your Qualified Dependent children, if neither (1) nor (2) applies.

If an amount is so paid, Prudential will not have to pay that part of your insurance again.

Vermont Mandatory Civil Union Endorsement

PURPOSE

Vermont law requires that health insurers offer coverage to parties to a civil union that is equivalent to coverage provided to married persons. This endorsement is part of and amends this policy, contract or certificate to comply with Vermont law.

DEFINITIONS, TERMS, CONDITIONS AND PROVISIONS

The definitions, terms, conditions and any other provisions of the policy, contract, certificate and/or riders and endorsements to which this mandatory endorsement is attached are hereby amended and superseded as follows:

Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage," "spouse," "husband," "wife," "dependent," "next of kin," "relative," "beneficiary," "survivor," "immediate family" and any other such terms include the relationship created by a civil union established according to Vermont law.

Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage," "divorce decree," "termination of marriage" and any other such terms include the inception or dissolution of a civil union established according to Vermont law.

Terms that mean or refer to family relationships arising from a marriage, such as "family," "immediate family," "dependent," "children," "next of kin," "relative," "beneficiary," "survivor" and any other such terms include family relationships created by a civil union established according to Vermont law.

"Dependent" means a spouse, a party to a civil union established according to Vermont law, and a child or children (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

"Child or covered child" means a child (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a civil union established according to Vermont law.

CAUTION: FEDERAL LAW RIGHTS MAY OR MAY NOT BE AVAILABLE

Vermont law grants parties to a civil union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to health insurance that are available to married persons under federal law may not be available to parties to a civil union. For example, federal law, the Employee Income Retirement Security Act of 1974 known as "ERISA," controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer health benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer's enrollment of a party to a civil union in an ERISA employee welfare benefit plan. However, governmental employers (not federal government) are required to provide health benefits to the dependents of a party to a civil union if the public employer provides health benefits to the dependents of married persons. Federal law also controls group health insurance continuation rights under "COBRA" for employers with 20 or more employees as well as the Internal Revenue Code treatment of health insurance premiums. As a

result, parties to a civil union and their families may or may not have access to certain benefits under this policy, contract, certificate, rider or endorsement that derive from federal law. You are advised to seek expert advice to determine your rights under this contract.

Plan Sponsor's Designation of Prudential As Claims Administrator

It is the Plan Sponsor's intention and direction that The Prudential Insurance Company of America as Claims Administrator has the sole discretion to interpret the terms of the plan, to make factual findings, and to determine eligibility for benefits. The Plan Sponsor has determined that benefits are payable under the plan only if The Prudential Insurance Company of America, in its sole discretion, determines that they are due. The decision of the Claims Administrator shall not be overturned unless arbitrary and capricious. *

* This paragraph does not apply to residents of AK, AR, CA, CO, DC, IL, KY, MD, ME, MI, NJ, NY, OR, PR, RI, SD, TX, VT, WA

Plan Sponsor, Policyholder and Employer not Agents of Prudential

The Group Contract underwritten by The Prudential Insurance Company of America provides insured benefits under your Employer/Policyholder/Plan Sponsor's ERISA plan(s). For all purposes associated with the plan or the Group Contract under which The Prudential Insurance Company of America provides benefits, the Employer/Policyholder/Plan Sponsor acts on its own behalf or as an agent of its employees. Under no circumstances will the Employer/Policyholder/Plan Sponsor be deemed the agent of The Prudential Insurance Company of America, absent a written authorization of such status executed between the Employer/Policyholder/Plan Sponsor and The Prudential Insurance Company of America. Nothing in these documents shall, of themselves, be deemed to be such a written authorization.

Allocation of Contributions

The insurance benefit coverages described in this Booklet are being offered to you under a single ERISA plan. Coverages described as non-contributory or as being paid entirely by the Employer/Policyholder/Plan Sponsor (if any) are those paid for directly by the Employer/Policyholder/Plan Sponsor such that you have no out of pocket expense for such coverages. However, the premium rate that the Employer/Policyholder/Plan Sponsor pays for insurance coverage offered to you under the Plan may be determined, or in some cases, reduced, in part, based on your contributions for other coverages or other benefits offered under the Plan. When this occurs, your contributions for one benefit coverage may cover some or all of the costs or plan expenses for another benefit coverage offered to you under the Plan.

Loss of Benefits

You must continue to be a member of a class of eligible employees or beneficiaries to which the plan pertains and continue to make any contributions or payments that are due, including those you agreed to when you enrolled for coverage. Failure to make required contributions may result in partial or total loss of your benefits.

Plan Sponsor May Amend or Terminate the Plan at any Time

It is intended that this plan will be continued for an indefinite period of time. But, the Plan Sponsor reserves the right to change or terminate the plan at any time. This Booklet elsewhere describes your rights upon termination of the plan.

Claim Procedures

1. Determination of Benefits

Prudential shall notify you of the claim determination within 45 days of the receipt of your claim. This period may be extended by 30 days if such an extension is necessary due to matters beyond the control of the plan. A written notice of the extension, the reason for the extension and the date by which the plan expects to decide your claim, shall be furnished to you within the initial 45-day period. This period may be extended for an additional 30 days beyond the original 30-day extension if necessary due to matters beyond the control of the plan. A written notice of the additional extension, the reason for the additional extension and the date by which the plan expects to decide on your claim, shall be furnished to you within the first 30-day extension period if an additional extension of time is needed. However, if a period of time is extended due to your failure to submit information necessary to decide the claim, the period for making the benefit determination by Prudential will be tolled (i.e., suspended) from the date on which the notification of the extension is sent to you until the earlier of the date on which you respond to the request for additional information, or the 45th day following the expiration of the initial 45-day claim review period.

If your claim for benefits is denied, in whole or in part, you or your authorized representative will receive a written notice from Prudential of your denial. The notice will include:

(a) the specific reason(s) for the denial, which will include a discussion of the decision describing, if applicable, the basis for disagreeing with or not following (i) the views of healthcare professionals treating you and vocational experts who evaluated you, (ii) the views of medical or vocational experts whose advice was obtained on behalf of the plan in connection with your adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (iii) an award of Social Security Administration disability benefits,

(b) references to the specific plan provisions on which the benefit determination was based,

(c) a description of any additional material or information necessary for you to perfect a claim and an explanation of why such information is necessary,

(d) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits,

(e) a description of Prudential's appeals procedures and applicable time limits, including a statement of your right to bring a civil action under section 502(a) of ERISA following your appeals,

(f) a statement that, if an adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination will be provided free of charge upon written request, and

(g) copies of any internal rules, guidelines, protocols, standards or other similar criteria relied upon in making this determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria do not exist.

2. Appeals of Adverse Determination

If your claim for benefits is denied, you or your representative may appeal your denied claim in writing to Prudential within 180 days of the receipt of the written notice of denial or 180 days from the date such claim is deemed denied. Similarly, if Prudential does not decide your claim within the time described in Section 1 above, you may appeal, although you are not required to do so. You may submit with your appeal any written comments, documents, records and any other information relating to your claim. Upon your request, you will also have access to, and the right to obtain copies of, all documents, records and information relevant to your claim free of charge.

A full review of the information in the claim file and any new information submitted to support the appeal will be conducted by Prudential, utilizing individuals not involved in the initial benefit determination. This review will not afford any deference to the initial benefit determination.

Prudential shall make a determination on your appeal within 45 days of the receipt of your appeal request. This period may be extended by up to an additional 45 days if Prudential determines that special circumstances require an extension of time. A written notice of the extension, the reason for the extension and the date that Prudential expects to render a decision shall be furnished to you within the initial 45-day period. However, if the period of time is extended due to your failure to submit information necessary to decide the appeal, the period for making the benefit determination will be tolled (i.e., suspended) from the date on which the notification of the extension is sent to you until the earlier of the date on which you respond to the request for additional information or the 45th day from the expiration of the initial 45-day appeal review period.

Prudential will provide you, free of charge and prior to any adverse decision on appeal, with any new or additional evidence that is considered by Prudential in connection with the claim (including evidence that may be the basis for denial as well as any evidence that may support granting the claim), and any new or additional rationale that will form the basis for the Prudential's decision on appeal. Any such evidence will be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination must be provided in order to give you a reasonable opportunity to respond prior to that date.

If the appeal is denied in whole or in part, you will receive a written notification from Prudential of the denial. The notice will include:

(a) the specific reason(s) for the adverse determination, which will include a discussion of the decision describing, if applicable, the basis for disagreeing with or not following (i) the views of healthcare professionals treating you and vocational experts who evaluated you, (ii) the views of medical or vocational experts whose advice was obtained on behalf of the plan in connection with your adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (iii) an award of Social Security Administration disability benefits,

(b) references to the specific plan provisions on which the determination was based,

(c) a statement that you are entitled to receive upon request and free of charge reasonable access to, and make copies of, all records, documents and other information relevant to your benefit claim upon request,

(d) a description of Prudential's review procedures and applicable time limits,

(e) a statement that if an adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination will be provided free of charge upon written request,

(f) copies of any internal rules, guidelines, protocols, standards or other similar criteria relied upon in making this determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria do not exist, and

(g) a statement describing any appeals procedures offered by the plan, and your right to bring a civil suit under ERISA.

If a decision on appeal is not furnished to you within the time frames mentioned above, the claim shall be deemed denied on appeal.

If the appeal of your benefit claim is denied, you or your representative may make a second, voluntary appeal of your denial in writing to Prudential within 180 days of the receipt of the written notice of denial or 180 days from the date such claim is deemed denied. Similarly, if Prudential does not decide your appeal within the time described in Section 1 above, you may appeal again, although you are not required to do so. You may submit with your second appeal any written comments, documents, records and any other information relating to your claim. Upon your request, you will also have access to, and the right to obtain copies of, all documents, records and information relevant to your claim free of charge.

Prudential shall make a determination on your second claim appeal within 45 days of the receipt of your appeal request. This period may be extended by up to an additional 45 days if Prudential determines that special circumstances require an extension of time. A written notice of the extension, the reason for the extension and the date by which Prudential expects to render a decision shall be furnished to you within the initial 45-day period. However, if the period of time is extended due to your failure to submit information necessary to decide the appeal, the period for making the benefit determination will be tolled from the date on which the notification of the extension is sent to you until the earlier of the date on which you respond to the request for additional information or the 45th day following the expiration of the second 45-day appeal review period.

Your decision to submit a benefit dispute to this voluntary second level of appeal has no effect on your right to any other benefits under this plan. If you elect to initiate a lawsuit without submitting to a second level of appeal, the plan waives any right to assert that you failed to exhaust administrative remedies. If you elect to submit the dispute to the second level of appeal, the plan agrees that any statute of limitations or other defense based on timeliness is tolled during the time that the appeal is pending.

If the claim on appeal is denied in whole or in part for a second time, you will receive a written notification from Prudential of the denial. The notice will be written in a manner calculated to be understood by the applicant and shall include the same information that was included in the first adverse determination letter. If a decision on appeal is not furnished to you within the time frames mentioned above, the claim shall be deemed denied on appeal.

Time Limit To File Suit

If your claim for benefits and any required appeals are denied (or not decided within the time periods discussed above), you may file suit as discussed below. If you elect to file suit, you should do so as soon as possible. However, you must file suit no later than three years after proof of your claim was first due as explained elsewhere in this Booklet, regardless of whether your claim is still pending in the claim or appeal process.

Rights and Protections

As a participant in this plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The plan administrator may make a reasonable charge for the copies.

- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including the Plan Sponsor, your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you a fine that accrues on a daily basis (based on amounts set by the Department of Labor) from the time the materials were due to you until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal

court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Office of Outreach, Education and Assistance, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, DC 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
